

**DOES CONTRACTUAL
WORKMEN
TRAINING CAUSE
YOU TROUBLE AND
NON COMPLIANCE ?**

DO NOT WORRY - WE HAVE A SOLUTION!!!

**THIS IS SIMPLE, PRACTICAL, VALUABLE ACCEPTABLE
AND ARRECIATED BY THE REGULATORY AGENCIES**

Training of contractual **workforce** is of great concern in recent times. More and more **international authorities** are auditing our facilities and one of the most common noncompliance is the GMP training of the contractual workmen. To train them constantly as they rotate is the most difficult thing. Keeping this in mind, to help the industry to remain compliant in this regard, this training kit has been developed. This would also be helpful in refreshers training for existing workmen.

This kit contains

- ❖ **A CD** : This CD is in the form of power point presentations supported with background voice (Hindi, Marathi, English and Hindi with Gujarati script)
- ❖ **booklet** :Course material in easy (to understand and use) language .
- ❖ An **evaluation test** with model answers.
- ❖ **Tips** to the internal trainer and
- ❖ **Formats** to maintain the training and evaluation records in order to satisfy the auditing authorities.

Contents of the Training Kit
